Experience

UC Investments (The Office of the Chief Investment Officer of the Regents)

Oakland, CA

UC Investments Academy

October 2023 - Present

Analyze financial statements through core statements, MD&A, footnotes, and ratios for activity, liquidity, coverage, and leverage

Determine corporate valuation by public/acquisition comparables, DCF, merger consequences, and leveraged buyouts analysis

Used best practices in Excel to construct consistent, efficient, and clear financial models

University of California, Los Angeles (UCLA)

Los Angeles, CA

Housing Safety Supervisor

March 2023 - July 2023

Responded promptly to and documented reports regarding on-campus housing incidents

Delivered effective supervision, training, and scheduling for the Housing Safety Ambassador (HSA) team

Performed patrols of on-campus residential buildings, ensuring residents' well-being and supporting the HSA team during shifts

Collaborated closely with campus partners (UCPD, UCLA Fire, LAFD, Residential Life, UCLA EMS, and Community Service Officers)

Housing Safety Ambassador (HSA) November 2022 - March 2023
Monitored lobby and entrance activity for unusual disturbances
Assisted in responding to emergencies and mediated conflicts
Ensured proper functioning of access control hardware to maintain a secure environment
Demonstrated effective communication skills while interacting with emergency responders and the general public

Oakland Military Institute (OMI) Oakland, CA
Inventory and Maintenance Assistant May 2019 - August 2019
Distributed and cataloged an accurate inventory of uniform items, received and verified shipments
Allocated supplies for school-wide events, including military parades and summer camps serving 400+ incoming students
Handled diverse tasks, including construction, destruction, custodial duties, and large furniture relocation in campus classrooms

Extracurricular Activities

Goldman Sachs Los Angeles, CA
Excel Skills for Business Program November 2023
Acquired proficiency in Excel fundamentals including cell basics, formatting, comments, naming, and setting up new sheets
Forecasted operating assumptions and translated details into profit and loss (P&L) statement
Estimated future cash flows and utilized financial metrics to craft visually impactful charts

Citi Los Angeles, CA
Investment Banking Virtual Experience Program November 2023
Crafted a comprehensive company profile for the acquisition target
Developed a five-year financial projection using a simple income statement model in Excel
Conducted thorough research to compile a comprehensive comparative company analysis
Synthesized an investor update, presenting key insights in an internal summary report

JPMorgan Chase Los Angeles, CA
Investment Banking Virtual Experience Program October 2023
Identified an ideal M&A target for a client based on an assessment of their strategic, financial, and structural criteria
Constructed DCF model to calculate the valuation of M&A target and adjusted for competitors and supply chain interruption
Created a 2-pager for the client containing a company profile and summary of the auction process

Technical Experience

Git/Github, Google Workspace (Docs, Sheets, Slides), Microsoft 365 (Excel, PowerPoint, Word), R Programming Language
